A NIGHT OF GIVING

November 15th 2013 "A Night of Giving" hosted by California Style Home Collections, Lighting Innovation and The Laguna Design Center in Laguna Niguel raised over \$7,000 benefiting Pacific Marine Mammal Center in Laguna Beach. The evening included exquisite shopping of home furnishings & accessories, entertainment, appetizers, wine, exiting raffles and a silent auction that left everyone wanting more.

With over 300 guests in attendance the event helped increase public awareness of the marine environment while marketing the presence of the hosting showrooms California Style and Lighting Innovation at the Laguna Design Center. 100%

of all proceeds from Raffle tickets purchased were given to the Pacific Marine Mammal Center along with a portion of all items purchased that evening.

It was an amazing night for this fund raiser and we are very grateful to all those that contributed including -Island Hotel Newport Beach, EQUINOX Newport Beach, Café Fresca, Madison Square Garden Café, Renaissance Club Sport, DIRECTV, Salt Creek Grille, Cindy Carter Photography, Mahe Sushi, Nothing Bundt Cakes, Dana Wharf and many many more.

Please save the date for next year's event November 14, 2014 destined to be even bigger and just as fun!
